Description: Beautiful lakefront home with stunning views on Little Walters Lake! Spend every morning with coffee on the huge deck under the 20' Sunsetter awning or basking in the sun while you never tire of the water views, especially in fall! The perfect blend of a comfortable family and entertaining home on this quiet, high demand lake. Sprawling granite kitchen with heated travertine floors with island. Gas fireplace all with stunning views of the lake and lush landscaping. Formal dining room and first floor laundry. Large private master suite with walk-in closet, Fantastic finished walkout with family room, full bath and den with fabulous wood trim. Den can be fifth bedroom if necessary with built in cabinetry & bed. The lake is currently home to a majestic bald eagle that often circles while fishing, a rarity for southeast Michigan. Hot tub, Wow!
